## WHAT IS WAY EDUCATION?

WAY Education 公司介绍

way education

WAY Education is a US education services company based in New York. For the last five years WAY has pioneered “blank check” educations for elite US families. Since 2016, WAY has also been serving select international families.

WAY Education是一家总部位于纽约的美国教育服务公司。在过去的五年中，WAY为美国精英家庭首创为孩子量身定做的“空白支票”教育。自2016年以来，WAY还选择性地为一些精英国际家庭提供教育服务。

What if someone wanted to build the best education for their child – and money was not obstacle. Instead of thinking of a whole classroom or school of students, they could supply something for their child alone.

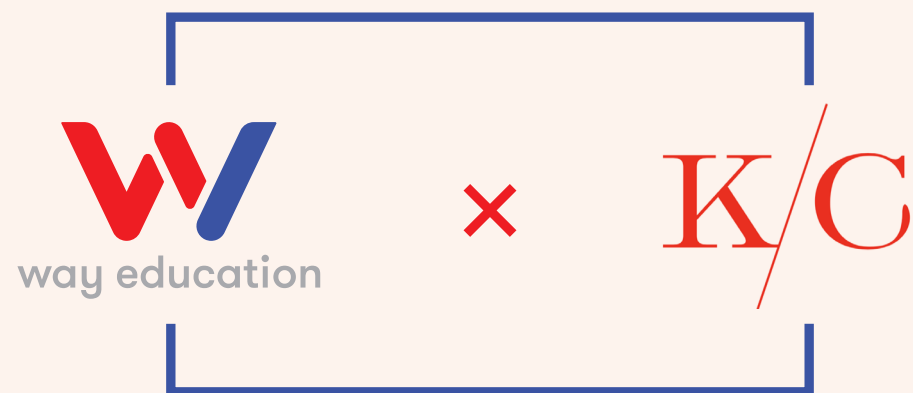

在财力不受限的情况下，家长如何为孩子提供最好最适合的教育？只着眼于子女在学校和教室中学习是远远不够的，子女成才需要家长在每个发展阶段步步为营，提供更多的校外帮助和辅导。

WAY Education was the first company to actually build these totally customized educations, for elite American families – entrepreneurs, investors, celebrities – who desired something even better than the best US private school.

WAY Education是首家真正为美国精英家庭，包括企业家、投资者和社会名流，建立完全定制化、因材施教教育体系的公司，让下一代获得比美国顶级私立学校提供的还要更优质的教育。

WAY’s US-based tutors provide in-person and online services of the traditional kind (GPA, test prep, and Admissions) but also the non-traditional kind (passion projects and essential support). Our gradual and holistic approach to educational is built to be flexible enough to apply to any moment in a child’s education – 6th-8th grade; high school; or even college.

WAY位于美国的导师团队不仅通过面对面和在线的方式向学生提供传统意义上的辅导服务，比如GPA提升，考试辅导和入学帮助；还提供非传统类型的指导，比如个人特色项目创建和校园全方位支持。我们灵活运用逐层推进和全面整合的教育方法，适用于未成年教育的任何时期，包括6 – 8年级，中学和大学。
